

DECLARATION AND POWER OF ATTORNEY

We, ROBERT J. SMITH and MATTHEW E. STEBICK declare:

We are citizens of the United States of America and are residents of Edinboro, County of Erie, Commonwealth of Pennsylvania; and Waterford, County of Erie, Commonwealth of Pennsylvania, Respectively, whose post-office addresses are 12835 Forrest Drive, Edinboro, Pennsylvania 16412 and 11193 Donation Road, Waterford, Pennsylvania 16441, respectively.

We believe ourselves to be the original, first and joint inventors of the improvement entitled "Anti-Leak Dust Cover and Closure Used Therewith" which is described and claimed in the annexed specification.

We have reviewed and understand the contents of the specification, including the claims.

That this application claims the benefit of United States Provisional Patent Application entitled "Anti-Leak Dust Cover and Closure Used Therewith", filed January 2, 2002.

That, as to the subject matter of this application which is common to said provisional patent application, we do not know and do not believe that the same was ever known or used in the United States before our invention thereof; or patented or described in any printed publication in any country before our invention thereof or more than one year prior to said provisional patent application; or in public use or on sale in the United States more than one year prior to said provisional patent application.

That said common subject matter has not been patented or been made the subject of an inventor's certificate before the date of said provisional patent application in any country foreign to the United States on an application filed by us or our legal representatives or assigns more than twelve months prior to said provisional patent application.

That the first filed application for patent or inventor's certificate on said invention set forth in said provisional patent application filed by us or our legal representatives or assigns in any country foreign to the United States is: none.

As to the subject matter of this application which is not common to said provisional patent application, we do not know and do not believe that the same was ever known or used in the United States before our invention thereof; or patented or described in any printed publication in any country before our invention or more than one year prior to the date of this application; or in public use or on sale in the United States more than one year prior to the date of this application.

That said subject matter of this application which is not common to said provisional patent application has not been patented or made the subject of an inventor's certificate in any country foreign to the United States on an application filed by us or our legal representatives or assigns more than twelve months prior to the date of this application.

That the first filed application for patent or inventor's certificate on said invent set forth in this application filed by us or our legal representatives or assigns in any coun foreign to the United States is: none.

We acknowledge our duty to disclose information of which we are aware whi is material to the patentability of this application in accordance with Title 37, Code of Feder Regulations, §1.56(a), including matters as occurred between the filing date of our sa provisional patent application and the filing date of this application.

We declare further that all statements made herein of our own knowledge are tr and that all statements made on information and belief are believed to be true; and further th these statements were made with the knowledge that willful false statements and the like so mac are punishable by fine or imprisonment or both, under Section 1001 of Title 18 of the Unite States Code and that such willful false statements may jeopardize the validity of the applicatio or any patent issuing thereon.

We hereby appoint Blynn L. Shideler, Registration No. 35,034; Frederick B Ziesenheim, Registration No. 19,438; William H. Logsdon, Registration No. 22,132; Russell D Orkin, Registration No. 25,363; David C. Hanson, Registration No. 23,024; Richard L. Byrne Registration No. 28,498; Kent E.
